

A Virtual Regional Consultative Meeting to Discuss Draft Guidelines for Development of Legislation and Related Policies on Marine Litter in Africa

11-12 November 2021

Panel: Discussion on recommendations and follow-up actions

12 November 2021

10:10 – 11:00 EAT

Moderator: Jared Bosire, UNEP

Objective: discuss the rationale for laws and policies developed by different countries to address marine litter, how to incorporate the informal sector in waste management frameworks and the type of support that could be provided to the countries to enhance the effectiveness of the implementation of laws and policies.

Panelists

- i) Banning of products or overarching frameworks – [Peter Manyara](#), IUCN
